

The Innovative School District (ISD) recognizes the importance of parent and family engagement in the pursuit of the highest levels of achievement for every child. The partnership between parents, families and schools is a critical component for student success. We recognize the role of parents and families as the first and most influential educators in a student's life.

**1. Parent and Family Involvement**

The ISD is committed to supporting the engagement of families and parents which includes the development of meaningful programming for families of the innovative schools designated as Title I schools. Parents are encouraged to participate in the development of Title I, Part A plan, serve on school improvement teams and other school-based opportunities to engage in their child's education.

**2. Support**

The ISD is committed to supporting the engagement of families and parents in collaboration with each innovative school operator to ensure coordination, technical assistance necessary to build the capacity of the innovative school in planning and implementing effective parent and family engagement activities.

**3. Communication**

ISD officials will post the results of the district report card online. Schools in the ISD shall provide physical copies of the school report card to parents.

**4. Implementation**

This policy has been developed in collaboration with innovative school stakeholders and adopted by the ISD on November 19, 2018.
